Let’s be Neighbors

Carolyn Mills, Provides a weekly view from the

The realtor has heard from my neighbors, Jessie and Rosemond Streety’s home as they are moving back to Chicago area to be near one of Jessie’s sons who is a retired policeman. Both Jessie and Rosemond are elderly and need to be near close relatives, although she does have cousins living in Winston County. Just wanted to say whatever happens the Streety’s home will be moving into a wellrounded community which boasts of two

Methodists Churches and a Baptist Church within a mile (as the bird flies) of each other and, a good mail carrier who brings your packages to your door when too large to fit in mailbox.

Center Ridge community is the home of many well qualified residents. We have a retired Methodist preacher, a qualified first-responder, two nurses, a physical therapist and her husband who works for Northeast Exterminating Service, a police man, two dog trainers, one who trains catalhaua breed and one who trains labs, a cowboy cattleman who works at several sale barns and his wife a voice coach and piano teacher, a retired pipeline worker who now raises quail and his wife a voice coach and piano teacher, a retired pipeline worker who now raises quail and his wife who still fills in at Justice Court today, a retired police service couple, three retired teachers, two bank employees, a qualified service business, a well qualified auto mechanic, a World War II veteran, a baby sitter and a reporter to name a few. I could have named the above, but if you wish to see them yourself I can call. I am listed in the phone book.

I got a call today from someone claiming to be the IRS. They said they would be suing me for unpaid taxes unless I paid them today down payment of money. This is a crook and do not fall for it. The IRS will never call you demanding an immediate payment. The IRS always contacts first by United State postal service.

Jimmy Kelley receiving his check.

From press & staff reports

A Winston County man was one of the daily winners of $1,000 through a nationwide sweepstakes.

Kelley received a check for $1,000 on Wednesday, January 20, 2016, at the H&R Block office in Louisville. Tax Associate Dean Beasley presented the check to Kelley.

H&R Block kicked off this past Refund Season with the company awarding $1 million a day during its 1,000 Win $1000 Daily sweepstakes.

This was unprecedent in the industry.

H&R Block Chief Marketing Officer Kathy Collins said, “The first drawing was held on Jan. 16, 2016, and one of one thousand people each winning $1,000 a day through Feb. 15, 2016.

I will pay some bills and take my family out to eat,” Kelley said about winning.

H&R Block is the world’s largest consumer tax services provider. More than 680 million tax returns have been prepared worldwide by and through H&R Block since 1955.
